

Shreemahavir Education Society's

Sanghavi College of Engineering, Nashik

Department of Civil Engineering

Program Specific Objectives (PSOs):

PSO1 Professional skills: Foster proficient professional skills, encompassing project management, teamwork, and leadership, to contribute to the field of civil engineering.

PSO2 Problem solving skills: Apply analytical thinking and engineering principles to effectively solve complex civil engineering challenges.

PSO3 Successful career and Entrepreneurship: Foster career success and entrepreneurial mindset for impactful contributions to the civil engineering industry.

Program Educational Objectives:

PEO 1: Attain excellence by demonstrating mastery in technical skills and the ability to adapt to evolving industry demands.

PEO 2: Design and construct civil engineering projects considering technical, economic, and societal needs.

PEO 3: Demonstrate effective communication, teamwork, and leadership skills in multidisciplinary settings.

PEO 4: Apply critical thinking and problem-solving skills to address civil engineering challenges.

PEO 5: Engage in lifelong learning, continuously expanding knowledge and skills through advanced education and professional development.
