Shree Mahavir
Education Society's

Memorandum of Understanding

This Memorandum of understanding (MoU) is made between IT training & solutions institute and Educational Institute with purpose of development in technological education and training opportunities for students and faculty members with mutual understanding and cooperation between NetLeap IT Training & Solutions (here after called IT Training Institute) and Department of Computer Engineering of Shree Mahavir Education Society's, Sanghavi College of Engineering, Nashik (here after called an institute) .

Shree Mahavir Education Society's, Sanghavi College of Engineering, Nashik, provides a distinctive excellence driven engineering education that will groom future generation of engineers and entrepreneurs. It has been established in 2012 and presently offers undergraduate programs in five disciplines like Civil Engineering, Mechanical Engineering, Computer Engineering, Electronics & Telecommunication Engineering, and Electrical Engineering. Sanghavi College of Engineering is an institute approved by AICTE New Delhi and DTE Govt. of Maharashtra and is affiliated to **Savitribai Phule Pune University, Pune**. The institution has progressed in leaps and bounds and is undergoing a continuous process of improvements in all aspects of curricular and extracurricular activities with the development of all section of the Society.

The industry is established in the year 1969, one of the pioneering organizations engaged in manufacturing and supplying of a comprehensive range of induction heating equipment and its allied products such as induction heating coils. For over last 4 decades, they have diversified range of products by incorporating advanced technologies such as resonant inverter technology along with various others technology.

They have carved a niche in the industry in the ever-growing tough competition among rival companies in the domain of expertise. They in the passing years are well into industrial experience and exposure to the market needs.

Objectives of MOU

1. To strengthen the industry- institute association to provide high quality and up to date technology support and value added teaching / training to Engineering Students.
2. To establish common platform between institute & industry to plan and execute activities for the development of Industrial Institute Interaction.
3. Sharing of latest technical trends in Educational & Industrial field.
4. To get exposure and training to the students under the supervision of industry experts.
5. To get access of the trained engineers.

Areas of Mutual Co-operation

1. Conducting workshops and seminars for Students and Faculty Members of an institute.
2. Training to appropriate Faculty members of an institute.
3. Training to professionals of industry.
4. In-plant training in the premises of industry to the students of an institute.
5. Placement assistance to the students of an institute.
6. Support for third year and final year engineering projects by the institute expertise of institute in co-operation with faculties of an institute within college campus or in institute as per requirement conducting regular sessions.
7. Consultancy to institute by expert/senior faculty members of an institute.
8. The nominal charges for conducting workshops and seminars etc. will depend on its type and will be decided time to time in mutual understanding.
9. Sincere attempt to exercise at least one workshop for second, third and final year students of BE will be conducted in every semester of academic year by an expertise of an institute for the students of an institute.

This MoU is made on 30th August 2021 in between Shree Mahavir Education Society's, Sanghavi College of Engineering, Nashik and NetLeap IT Training & Solutions, Nashik. Authority signature holders have come to agreement for MoU dated 30 / 08 / 2021

This MoU is valid up to 5 Years starts from 01st September 2021 (renewable)
