

AI Week Celebration Report

1. Title of the Event:

AI Week Celebration: Awareness, Ethical Use, and Future of Artificial Intelligence

2. Name of the Institution:

Sanghavi College of Engineering, Nashik

3. Date(s) of the Event:

13 Jan 2025 to 17 Jan 2025

4. Organized by:

Computer Engineering Department

5. Name(s) of Faculty Coordinators:

Dr. B. S .Shirole

6. Event Duration:

11 AM to 12:30 PM

7. Objectives of the Event:

The objectives of the AI Week Celebration were:

- To raise awareness about Artificial Intelligence (AI) and its impact on society.
- To discuss the ethical implications of AI.
- To educate students about the responsible use of AI technologies.
- To highlight the pros and cons of AI in everyday life.
- To engage students and faculty in meaningful discussions through activities like poster presentations and taking an AI pledge.

8. Target Audience:

- Students of Sanghavi College of Engineering as well as students from Mahavir Polytechnic, Nashik, Faculty members, and Staff of Mahavir Education Society.

9. Brief Overview of the Event:

The **AI Week** was celebrated as a part of our efforts to familiarize students and faculty with Artificial Intelligence (AI) and its implications for the future. The event included various activities such as taking the **AI Pledge** and a **Poster Presentation on the Pros and Cons of AI**.

The **AI Pledge** involved participants committing to the ethical use of AI, considering its societal impact, and advocating for responsible development. The **Poster Presentation** allowed students to creatively explore the different aspects of AI, including its benefits and potential drawbacks, and present their findings to peers and faculty.

10. Methodology/Execution Plan:

The event was carried out in the following stages:

1. **Planning and Coordination:**
 - Initial discussions were held with faculty and student coordinators to plan the event.
 - The event schedule was created, which included the AI Pledge ceremony and the poster presentation.
2. **Publicity and Promotion:**
 - Posters were displayed across the campus, and social media platforms were used to invite students and faculty to participate.
3. **Execution:**
 - **AI Pledge:** The pledge was taken by students, faculty, and staff, committing to the responsible and ethical use of AI.
 - **Poster Presentation:** Students created informative posters highlighting both the **pros** and **cons** of AI, addressing topics such as automation, job displacement, ethics, and AI's potential for social good. The posters were displayed in a central venue where discussions took place.

11. Key Highlights of the Event:

- **AI Pledge:** Over 50 participants took the pledge, demonstrating strong support for ethical AI practices.
 - **Poster Presentation:** Over 9 posters were displayed, and 30 students participated in the presentation. Topics ranged from AI in healthcare to the implications of AI on privacy and employment. Over 200 students were visited.
 - **Discussions:** The event generated engaging conversations about the societal, ethical, and technological implications of AI.
 - **Participation:** The event was well-received, with active participation from students and faculty alike.

AI WEEK ACTIVITY

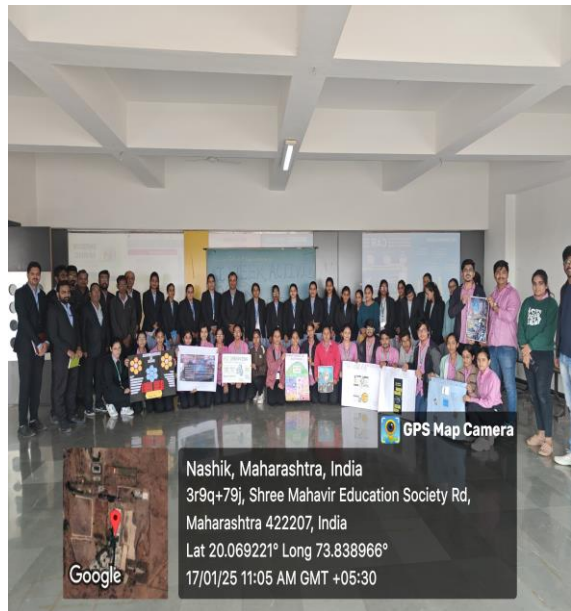

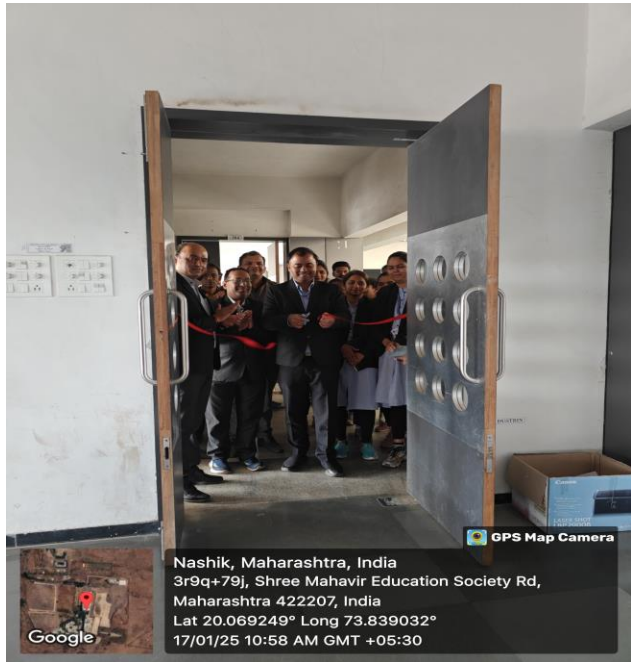

POSTER PRESENTATION ON AI

Department of Computer Engineering

JAN 17, 2025
STARTS AT 11:00 AM

Venue : Class No. 303

13. Results and Outcomes:

The AI Week Celebration achieved the following outcomes:

- Enhanced awareness about AI and its role in various sectors like healthcare, business, and education.
- Fostered discussions on the ethical implications of AI technologies.
- Encouraged students to think critically about the advantages and disadvantages of AI.
- Strengthened the ethical framework for AI usage within the academic community.

The overall participation was positive, with both students and faculty engaging in constructive conversations about AI's impact.

14. Conclusion:

The AI Week Celebration was an insightful and impactful event that successfully met its objectives. It provided an excellent platform for students and faculty to explore the different facets of Artificial Intelligence, including its benefits, risks, and ethical considerations. The AI Pledge was a significant part of the event, emphasizing the importance of responsible AI development.

Given the growing importance of AI, the celebration served as an important step in creating awareness and promoting ethical practices within the institution.
