Minutes of Meeting

1. Review of minutes of previous IQAC Meeting:

The attendees reviewed the minutes of the previous IQAC meeting and confirmed their accuracy. The minutes were approved without any changes.

2. Formation of NAAC Committee:

It was decided to form a committee to prepare for the NAAC accreditation process. The committee will be responsible for coordinating and implementing the necessary measures to achieve the accreditation.

3. Discussion on ICT up-gradation:

The attendees discussed the need to upgrade the institution's ICT infrastructure to improve the quality of education and administrative processes. It was suggested that the institution should invest in upgrading its hardware and software (For Example Touch screen interactive panel), and provide necessary training to faculty members and staff.

4. Reframing of IQAC committee:

The attendees discussed the need to reframe the IQAC committee to ensure that it is aligned with the institution's vision and objectives. It was suggested that the committee should comprise of members from various departments and should be responsible for implementing and monitoring the institution's quality assurance policies.

5. Any other issues with the special permission of the chair:

No other issues were discussed.

Action Taken Report (ATR):

1. Formation of NAAC Committee:

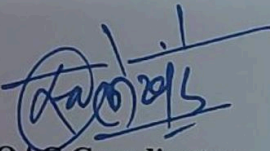

A committee was formed to prepare for the NAAC accreditation process. The committee will comprise of members from various departments and will be responsible for coordinating and implementing the necessary measures to achieve the accreditation.

2. Discussion on ICT up-gradation:

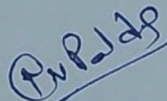

Different options and quotations were asked from the Head of Departments for ICT up-gradation.

3. Reframing of IQAC committee:

The IQAC committee was restructured to ensure that it is aligned with the institution's vision and objectives. The committee now comprises of members from various departments and is responsible for implementing and monitoring the institution's quality assurance policies.
