Minutes of Meeting

1. Review of minutes of previous IQAC Meeting:

The attendees reviewed the minutes of the previous IQAC meeting and confirmed their accuracy. The minutes were approved without any changes.

2. Review of accreditation work progress:

The attendees discussed the progress of the accreditation work and reviewed the necessary documents. It was decided to expedite the pending work and complete the accreditation process at the earliest.

3. PO finalization of Interactive Touch Panel:

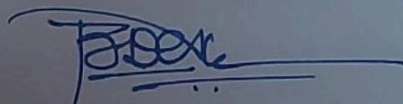

The attendees discussed the need to finalize the purchase order for the interactive touch panel. The technical specifications and quotes from different vendors were discussed and it was decided to finalize the PO with the selected vendor.

4. Any other Issues with the special permission of the chair:

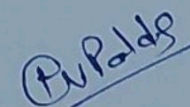

The chair gave permission to discuss any other issues. No other issues were raised.

Action Taken Report:

- The minutes of the previous IQAC meeting were approved without any changes.
- The accreditation work progress was reviewed and the necessary documents were discussed. The pending work will be expedited to complete the accreditation process at the earliest.
- The purchase order for the interactive touch panel was finalized after discussing the technical specifications and quotes from different vendors.
- No other issues were raised during the meeting.
