Shree Mahavir Education Society, Nashik

Admission to Diploma & Degree Programmes

Information Brochure

Sanghavi College of Engineering , Nashik
Institute of Technology Polytechnic , Nashik
Shree Mahavir Institute of Pharmacy , Nashik

Recognized by All India Council for Technical Education (AICTE) ,
Department of Higher & Technical Education, Govt. of Maharashtra.
Directorate of Technical Education (DTE) , Affiliated to Savitribai Phule
Pune University & Maharashtra State Board of Technical Education (MSBTE)

A Journey Towards Excellence

About our Trust:

Shree Mahavir Education Society was established in 1996 as one of the leader in Technical Education in the rural area. The trust was started with a clear objective of providing high class education system in rural area and to give employment fillip to the women of rural area through need based education.

Mr. Harish Sanghavi started its rapid growth and began to play key role to meet diversified educational needs of rural people in Maharashtra particularly in Dindori District of Nashik. Our organization is non-profit, educational charitable trust with the aim of imparting quality education to rural area by self-financing. Our organization has superior human resources, superb infrastructure, conducive working environment as well as inherent strength.

Mr. Harish Sanghavi started multiple Education Institutes in rural part of Nashik district especially Dindori. He started the Institute of Technology Polytechnic, Nashik in Varvandi Village in the year 1999. The College is recognized by All India Council for Technical Education (AICTE) & Directorate of Technical Education (DTE) & Affiliated to Maharashtra State Board of Technical Education (MSBTE).

Shree Mahavir Institute of Pharmacy, Nashik was established in the academic year 2003-2004. The College is recognized by All India Council for Technical Education (AICTE), Directorate of Technical Education (DTE), Affiliated to Maharashtra State Board of Technical Education (MSBTE) & Pharmacy Council of India (PCI).

After successfully running these two Institutes, we thought to have a Degree college and this became true in 2012, when we established an Engineering College named as Sanghavi College of Engineering in the same campus which is also recognized by All India Council for Technical Education (AICTE), Directorate of Technical Education (DTE) and is Affiliated to the Savitribai Phule Pune University.

The Management's commitment to excellence and relevance in technical education is reflected in the marvelous infrastructure with up-to-date laboratories, sophisticated equipments, good infrastructure and excellent working atmosphere in 27.5 Acres of Land at Varvandi in Clean & Pollution free environment.

Chairman's Message

“Education is the soul of society as it passes from one generation to another”

H L Sanghavi

Years ago when I visited a school, I perceived that the best way to advance society is by fostering education and it was at that movement that the dream and vision was conceived.

“Vision looks inward and becomes duty. Vision looks outward and becomes aspiration. Vision looks upward and becomes faith”.

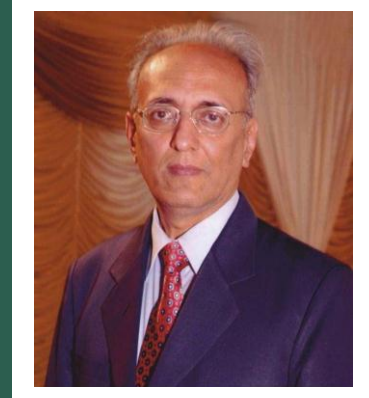

Now, when this vision of duty, aspiration and faith has become a reality , it is proud movement for me and my team to see thousands of students pursuing higher education in SMES Group of Colleges and equipping themselves to become industry ready professionals for successful careers. In this process the Group intends to unite all dimensions of Education from Diploma to Graduate Programmes in Engineering and Technology and Pharmacy under the same umbrella in order to comprehensively and collectively optimize the reach of Educational initiatives in every strata and corner of society towards better future.

Our educational initiatives believes that creating an academic foundation for social , cultural scientific , economic and technological development in our nation can mature in to Global Interface by giving way to education exchange in International territory as well. Therefore , our focus is to achieve unparalleled excellence that will bring development to our society and mankind by optimizing their potential .

So , Shree Mahavir Education Society is contributing in a process of rural transformation, higher levels of education among the farmers and availability of off farm jobs.

Harish L. Sanghavi
Chairman & Managing Trustee

The Trustees

Mr. Harish L. Sanghavi
Chairman & Managing Trustee

Chairman is Cost and Management Accountant. He has been in the Industry since 43 years. He has worked in many Industry being Cost and Management Consultant. He is in continuous contact with various industries and Industrialist. He is also running three Engineering units. His units are exporting units and have received the Government of Maharashtra Export “ Merit Certificates ” for proven outstanding export of nontraditional items .His another unit is major exporter of capacitor cans and other extruded products. Mr. Sanghavi is an Advisor and Consultant to industries. In advisory capacity he has advised industries on taxation, accounting, computer systems, engineering, management, finance, banking and administration. He has been heading this trust for last 19 years. Recently new engineering unit is setup in a joint venture with a leading Italian Company for manufacturing plastic engineering products in Nashik . The growth of his industry is above 25 % . It is with the same stamina he runs the trust and all his ventures.

Mrs. Varsha H. Sanghavi
Vice Chairperson

Mrs. Varsha Sanghavi , Vice Chairperson of Shree Mahavir Education Society is an Industrialist . She has managed 67 lakhs Election Voters Identity Card. She is capable in managing more than 2000 employees at a time at different location. Her Organizing strength is most useful to our Institution.

She knows that the people of rural part are poor so they are least bothered to send their ward for technical education so she provided technical education at their doorstep which reduced the cost of technical education and hence burden of the rural people.

...WITH BEST WISHES

CEO's Message

Dr. Maya M. Padwal
CEO

Shree Mahavir Education Society

Dear Students,

‘NOTHING IS IMPOSSIBLE’ – AP. J. Abul Kalam (Ex-President of India)

“Students today are competing in rapidly changing world. Simply covering the curriculum will not be enough to face the global challenges. We therefore equip our students with education and the necessary practical skills to ensure that, they perform their best in their respective professions.

Our Infrastructure helps them to achieve their personal and professional goals. The institute is growing every day with regards to the development in the infrastructure and the facilities for the students and the faculties.

We are grateful to the parents and students who trusted and believed the commitment we made in 1999.”

It is with immense pleasure and joy I welcome you to this campus as a student. Our Trust when it was conceived in the year 1996, dedicated this institution to the proposition that it shall reach the height of excellence in the fields of engineering education relating to the industry NEEDS. Since then we worked with a great sense of determination and commitment to make this institution a student excellence centric organization.

As we are on the threshold of yet another academic year , it gives us great pleasure in welcoming you once again and also the class of several hundred more new students to this great campus . By joining this institution you have clearly expressed your choice of the course of study you wish to take and the college of your preference . As a Chief Executive Officer of this esteemed institution, I can assure you that the trust you have placed in us will be meaningful. You will have high esteem to be proud and happy about your belongings to this college.

Dr. Maya M. Padwal
Mob. 9822791484
Office : 02557-259090

VISION & MISSION

Vision: Our vision is to create knowledgeable, socially responsible technocrats.

Mission:

To impart quality education to engineering students through modern techniques and tools of teaching-learning, knowledge & skill development by innovative methods of training and continuous evaluation techniques.

QUALITY POLICY

We at SMES are committed to establish and improve the quality management system which would contribute to the growth of technical education, upholding the highest ethical and professional standards. This shall be achieved by continuous improvement in infrastructure, services, skill and knowledge level of faculty to satisfy students, parents, industry and society at large.

TEACHER GUARDIAN SCHEME

- To acclimatize the new students to the campus life.
- To campaign against ragging.
- To provide academic counseling.
- To enlighten the students on professional ethics and conduct.
- To communicate with the ward's parents.
- To provide emotional support to students on individual basis.
- To help students to overcome home sickness.
- To establish rapport between teachers, student and parents.
- To monitor attendance and behavioral aspects of every student.
- To identify weak areas and work out remedies to help students and taking their complete care.
- To score good marks in exam.
- To prepare for competitive exams and interviews.
- Teacher guardians constantly try to develop the desirable qualities in the students from placement point.
- Teacher –Guardian channelizes student's energies in proper direction.

STUDENTS GROOMING

- Vacation job Placement and Exposure to Industries and Workshops.
 - Training in Industry during Holiday.
 - Fees is charged as per Shikshan Shulka Samitee.
 - Govt. Scholarship for Reserved Category Students.
 - Trust Scholarship to deserving Students.
 - Loan Facilities and Bank Linkages provided.
 - Beautiful and Peaceful Campus.
 - You can see the College and meet Professors before Admission.
 - Experienced and Dedicated Faculty.
 - Direct Principal and Chairman Telephone Numbers.
 - Students-Parents-Teachers joint Platform for healthy growth oriented discussions.
 - Compulsory Attendance of Parents in Parents Meet.
 - Subsidized Computer scheme.
 - Fully furnished laboratories.
 - House Bulletin Monthly Student's Voice.
- 

LIBRARY

We have huge Library of 1000 Sq. meter with separate reading hall. We have around 45000 books and 85 National and International journals and magazines in our Library. Our Library is well equipped with modern facilities & resources in the form of CD-Rom, Online databases etc. Library has E-resources also.

E- Library

All E-Resources like E-Journals, E-Books, and E-Databases can access through Computers, Desktop/Laptop within the Institutional IPs range and a few are login ID based.

CAS & SDI Facility

Library provides CAS & SDI services to staff and students from time to time. Library also provides the requisite articles, e-Paper, e-Data, book information, newspaper clipping etc.

OPAC (Online Public Access Catalogue)

We have Intranet & web based service where users' can access all physical books of library & find-out the location, availability and present status.

CAMPUS FACILITIES

Hostel Facility

Girls and Boys Hostel facility is available at reasonable cost (O.S.)

Canteen Facility

Food hygienically prepared is provided in the canteen to all Staff and Students.

Sport Centre

The College has developed sport complex for indoor and outdoor games like badminton, chess, carom , table tennis , cricket , football, hockey etc.

Net Facility

The internet facility with 20 mbps lease line is provided to the student which is accessible till late night to facilitate them to update information resources.

Campus Clinic

A Clinic for routine medical services with quality medical staff is available in the campus.

Water Treatment Plan

Hygienic and purified water is being supplied by the institute to entire campus.

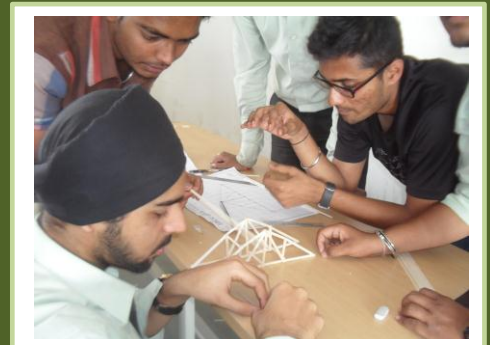

BUS SERVICES

The Campus is easily accessible by road from Nimani bus stop. College has pick-up and drop bus services for the students from various locations of Nashik and surrounding areas at very reasonable charges. Bus facilities are available from Nashik and outskirts of Nashik like DINDORI , KALWAN , BHAGUR,CHEHADI , AMBAD , SATPUR , etc. **Bus Charges Starts from Rs.4000/-** per year.

CO-CURRICULAR ACTIVITIES

All the departments have active students association who organize the seminars, workshop, and industrial visits training on various technical subjects in their respective areas. These association provide a forum to the students to develop their organizing skills and leadership qualities.

Institute organizes various kinds of programmes like Paper Presentation, Project Exhibitions, Technical Quiz Competitions, Poster Presentations, LAN Gaming , Speech Competition, Creative Arts and many more events which help the students to become a technically competent engineer as well as a good social human being.

SOMETHING UNIQUE

NO DONATION ONLY EDUCATION !!! We do not accept donation for admission. Admission procedure takes place on the basis of marks merit of the student.

EXTRA - CURRICULAR ACTIVITIES

TRAINING & PLACEMENT CELL

The Training and Placement Cell imparts training to students from the first year onwards giving emphasis to motivational skills, communication skills, interpersonal relationships, leadership qualities, group discussions and interview techniques. Resource persons and professionals from reputed Management Institutions along with college faculties train the students.

The Placement Cell also helps the weak students to improve their academic performance by counseling. The Training and Placement Cell provides the infra-structural facilities to conduct group discussions, tests and interviews besides catering to other logistics.

The primary role of our T&P cell is:

1. Prepare students for successful performance in competitive exams.
2. Develop communication abilities by conducting GD's and mock interviews with the help of well-equipped language lab.
3. Invite Industry and prospective employers to organize campus interviews.
4. Provide fruitful industry-institute interaction.

Various Companies like Bajaj Auto Ltd.– Pune , Atlas Copco India , L& T , Nilraj Engineering Works , MICO (Bosch) ,Tata Motors , Prothious Engineering Services and many more industries have visited for Campus Interview .

ADMISSION PROCEDURES

- Notification by Government in News Paper.
- Purchase kit from ARC Center (Shree Mahavir Education Society's , Institute of Technology ,Polytechnic , Sanghavi College of Engineering , Shree Mahavir Institute of Pharmacy)
- Registration at our society's Polytechnic, Engineering & Pharmacy College.
- Merit list will be displayed on website : www.dte.org.in
- Option form filling at ARC Center (Shree Mahavir Education Society's , Institute of Technology ,Polytechnic , Sanghavi College of Engineering , Shree Mahavir Institute of Pharmacy)
- Allotment of college will be displayed on website : www.dte.org.in
- Confirmation at allotted College.

FEES

The Fees for the course is prescribed by the Government from time to time . Fees is charged as per Shikshan Shulka Samiti's Notification.

ACTION AGAINST RAGGING

Maharashtra Prohibition of Ragging Act 1999 has the following provisions for Action against Ragging:

1. Ragging within or outside of any educational institution is prohibited.
2. Whosoever directly or indirectly commits, participates in abets or propagates ragging with or outside any education institution shall , on conviction, be punished with imprisonment for a term up to 2 years and / or penalty , which may extend to ten thousand rupees.
3. Any student convicted of an offence of ragging shall be dismissed form the educational institution and such student shall not be admitted in any other educational institution for a period of five years for the date of order of such dismissal.

"Ragging is Prohibited as per the decision of Supreme Court of India in Writ Petition No 656/1998" - **"Ragging is Cognizable Offence"**

DISCIPLINE & ATTENDANCE

Students must observe all discipline rules and regulation as prescribed by the Institute from time to time . They are required to put in minimum 85% Attendance for Theory periods and 100% attendance for Practical without which they will not be allowed to appear for the University or Board Examination. Permission for Absenteeism is must.

SANGHAVI COLLEGE OF ENGINEERING

DTE CODE - 5399

About Institute

Sanghavi College of Engineering was established in year 2012 . It has started with the aim to cater the needs of technocrats and to make Engineers of tomorrow. It has an excellent track record of 03 years. The institute is located at

Varvandi Village of Dindori which is approved by All India Council for Technical Education (AICTE) and Directorate of Technical Education (DTE) Maharashtra State , Affiliated to Savitribai Phule Pune University.

Address	: Shree Mahavir Education Society's , Sanghavi College of Engineering, Nashik , Mhasrul-Varvandi Road , Nashik – 422 202 .
Establishment	: 2012
University	: Savitribai Phule Pune University.
Principal	: Dr. Kedar Narayan Choudhary
Website	: http://www.shreemahavir.org , http://www.scenashik.org
E-mail	: principal.scenashik@shreemahavir.org
Phone No.	: (02557)259090 , 259091
Direct No.	: 9730902772 , (0253)2350181 ,2351381

Courses Offered

Sr. No.	Branch Name	Intake	General Choice Code
1	Computer Engineering	60	539924510
2	Electronics & Telecommunication Engineering	60	539937210
3	Electrical Engineering	60	539929310
4	Civil Engineering	60	539919110
5	Mechanical Engineering	60	539961210

Eligibility Criteria

For First year Engineering

Students desiring to take admission in engineering courses should ensure the following.

- Candidate should be a Indian National and should have passed the HSC (Std. XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subject English, Physics, Mathematics and Chemistry / Biotechnology / Biology / Technical Vocational Subject & secured minimum 50% Marks for Open 45 % Marks for Backward class categories and persons with disability candidates belongings to Maharashtra State only.
- Obtained a positive composite score* i.e. , score obtained after adding 50% of JEE (Main) (Paper 1) marks percentile and 50% of standard XII (Board of Equivalent Examination) Physics, Chemistry and Mathematics marks percentile.

For Second year Engineering

- Diploma in any branch.
- A candidate must have passed the diploma course in Engineering / Technology affiliated to Board of Technical Education.
- Maharashtra State (MSBTE) or its equivalent with minimum 50% marks.
- BSc. Candidate is also eligible.

Eligibility criteria for outside Maharashtra Students

- The candidate must have passed HSC and JEE (Mains)

Trust Scholarship

- Scholarship of 25% on net tuition fees to above 81% marks holder.
- Scholarship of 15% on net tuition fees between 71% to 80% marks holder.
A student who wants to avail the facility of Scholarship should fill the form of Rs. 200/- on the day of admission only*

Govt. Scholarship

Other Government Scholarship are available to eligible students for ST , SC, NT, OBC, SBC , EBC for those students whose admission is through CAP only. Govt. Scholarship is available only to those students who duly filled in application and submit their required original documents at the time of admission.

Admissions are carried out through Centralized Admission Process (CAP) as well as direct Admission. (Management Quota only for F.E.)

College Fees : For fees & other details please visit our website – www.shreemahavir.org

Principal's Message

Dr. K. N. Choudhary
Principal
Sanghavi College of Engineering , Nashik

The Success of any Institute in the real world is a reward of hard work coupled with systematic planning and focused approach to impart the best quality of education at minimum cost. Optimization is technique which has variety of application in various fields and its equally applicable to educational institute also. To be prepared for future, Institute should focus on four distinct attributes 'Comprehension, Computation, Communication & Co-operation'.

In Sanghavi College of Engineering we consider every technocrat is a unique and has to be addressed and nurtured with personal attention so that they emerge as confident and competent citizens of the country with a will to contribute to the nation building. The holistic growth is nurtured at this college through mainly five disciplines of engineering including Civil , Mechanical , Computer , Electrical and Electronics & Telecommunication Engineering . Keeping the holistic growth of students in mind and realizing the need to prepare them with skills needed in the 21st Century , we focus on employability , knowledge learning and ready to be productive in any industry from the day one he/she joins the industry . We also focus on developing the multiple intelligence of students , their emotional strength , critical thinking and inter-personal communication skills and personality development in general through curricular and non-curricular content and pedagogy so that learning is stress-free and is all fun. I have great pleasure in inviting you to be a part of learning in a friendly and supportive environment.

Best Wishes,
Dr. K. N. Choudhary

Principal's Message

Prof. Manoj Burad
Principal
Mob. 9822208687
Office : 02557-259088

It is extremely difficult to achieve and maintain top positions in the field of Engineering & Technology in the professional and highly competitive world of today. The Staff members and students of this college have worked very hard to excel in every field and need no verbose to enlist their achievements in academics, sports and extracurricular activities. Our college makes a lot of efforts for the overall personality development of the students. Ours is a co-educational college with an increasing number of girl students getting admitted every year. We strongly trust in human values and our commitment to the Nation and human society. The Institutions of higher education will be better on if they prepare in time to use technology for reopening as well as multiplying the learning opportunities for students.

My sincere thanks are due to all the staff members and students of this college for their excellent support and co-operation in every field to maintain the leading position of this college among the Polytechnics of Nashik.

It is matter of great pride that the college has made consistent progress year on year, in academic and co-curricular activities.

Challenges and opportunities are two sides of the same coin.

Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for challenges of life . This will require tremendous self-motivation on the part of all concerned but will be fulfilling for the student as well as faculty. I wish all the best for future.

SHREE MAHAVIR INSTITUTE OF PHARMACY

DTE CODE - 5281

About Institute

Shree Mahavir institute of Pharmacy, was established in year 2003. It has started with the aim to become a center of excellence in providing high quality education, training and research to individuals in acquiring extensive knowledge in the field of pharmaceutical sciences and skills in scientific research so that they can enrich their lives, develop their confidence and become respectable

and useful members of society and contribute further in the enhancement of the Nation. The institute is located at Varvandi Village of Dindori which is approved by All India Council for Technical Education (AICTE) , Pharmacy Council of India , Govt. of India and Directorate of Technical Education (DTE) Maharashtra State , Affiliated to Maharashtra State Board of Technical Education (MSBTE)

Address	: Shree Mahavir Education Society's , Shree Mahavir Institute of Pharmacy, Nashik, Mhasrul-Varvandi Road, Nashik – 422 202.

Principal's Message

Prof. Ajay Deshpande
Principal
Shree Mahavir Institute of Pharmacy

It gives me immense pleasure to introduce our Mahavir Institute of Pharmacy, Nashik . Pharmacy profession is a noble profession and the pharmacist plays a vital role in health care system. During last few decades pharma industry underwent different transformations due to liberalization and globalization which led to severe competitions among the pharma companies.

The Indian pharma industry not only proved their ability but also achieved new heights. The present Indian pharma industrialists are good global competitors in exporting quality drugs and they would be global leaders in coming decades.

The present success of Indian pharma industry and advancement of pharmaceutical technology attracting many multinational giants to work with Indian companies in new areas like clinical trials, contract research and development etc. Hence, there will be huge demand for the pharmacy professionals in the areas like research, teaching, hospitals and pharma industries etc.

This college has dedicated and experienced faculty for the academic progress for the students. The college is equipped with the modern instruments and machineries to provide the best practical training to the budding pharmacists. The institute is making all the efforts to provide the quality education through providing the infrastructure, facilities and implementation of effective teaching methodologies. At last I wish all the students for the grand success in their endeavor.

Success of Shree Mahavir Education Society

- Shree Mahavir Education Society developed linkages with the rest of the world to build knowledge.
- Shree Mahavir Education Society use flexible forms of staff management, introducing performance related incentives and staff development programs.
- Shree Mahavir Education Society contributed to workforce development in the rural community.

However, the success of Shree Mahavir Education Society's such good practices remains dependent on the quality of leadership. Institutional leadership, competence and commitment of key personnel play a large role in the success of any effort for change.

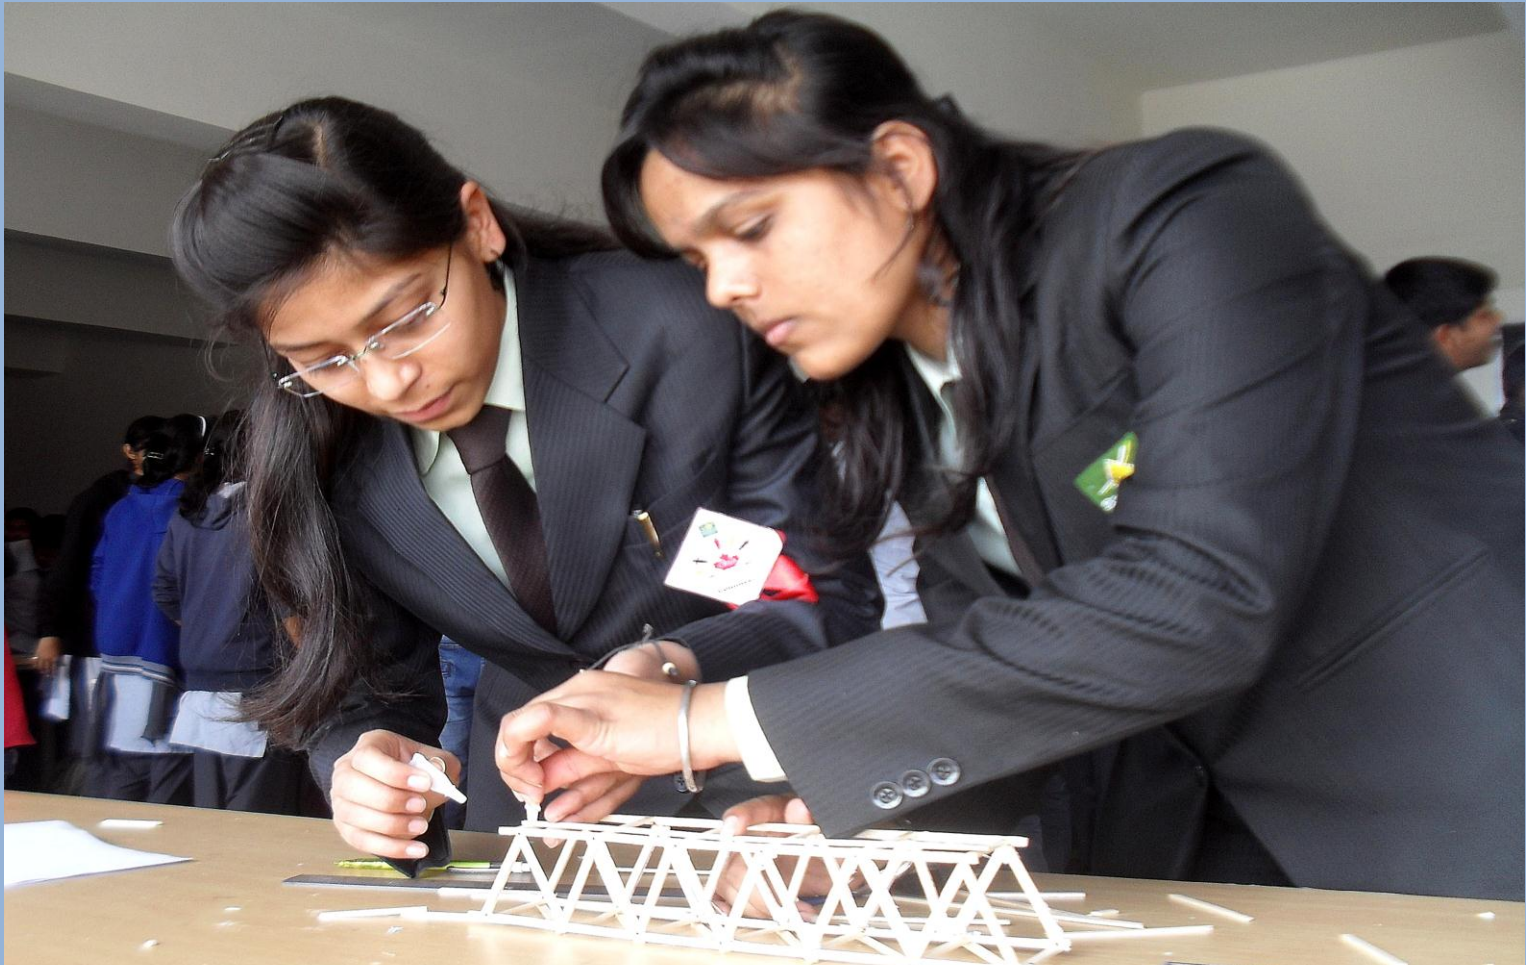

Institutional flexibility also constitutes an important criterion.

Innovative institutions are open to new ideas and ready to build their capacity to take on their new roles.

We Shape Students..
